

APPRECIATION LETTER TO OUR DONORS
ASEC/SLDI/CONRAD HILTON FOUNDATION

From the Finance Group II – July 28, 2014 to August 23, 2014 - Ghana

Our first pleasant surprise from the workshop was our brand new laptops with their accessories from the sponsors of this workshop. We still have not wakened up from this. We are grateful for this offer. This will bring efficient and effective quality in our ministries. This will also go a long way in broadening our horizons and add value to our life and work.

ASEC/SLDI has the goodwill in helping religious Sisters acquire requisite skills in their profession along with keeping abreast with the changing trends in the technological world. We really appreciate ASEC/SLDI and the Hilton Foundation for the good work done, and especially for the opportunity given to us to gain skills for our ministries in Africa.

Long live ASEC!
Long live SLDI!
Long live Conrad Hilton Foundation!
